**Subject:** Nra annual event delegate invite to russia  
**Received:** 2016-01-09T16:14:31Z

Nick - I would like a project started to officially invite our Russian friends to our nra convention.

There is a list I think sent earlier.

Given the approval time line on the Russian side and the delegate host planning on our side, we should start very soon.

Please get back to me on where and how to start this.

Pete
